## STORAGE METHODS & REQUIREMENTS

### CRADLES (LOA)

Initial Setup (Minimum 40ft)	3.00/Ft
Rental (Minimum 40ft- Covers official hurricane season)	27.50/Ft

Cradles are subject to availability so please check with the office.

### Storage Preparation

All sails must be taken down & stowed by the owners upon hauling. Biminis can be left up but should a storm warning be issued they will be removed at the owner's expense and remain down until launching. The charge to remove and reinstall the bimini will be 27.00/Hr. Dinghies must be securely strapped, upside down on deck. We also offer dinghy storage for 75.00/Month. Outboards are stored separately at a further charge of 30.00/Month

We recommend that masts are removed. Boats that have removed their mast will be stored separately to those that have not. Masts will be stored on a storage rack for 0.08/Ft/Day.

Monohulls for storage will have forward & aft stands welded together with a steel pipe and the tops shall be chained together. For all stands to be welded together there is an additional charge of US\$200.00. Please make request with office.

Boat stands will be placed 2 per 10ft. Extra stands are 10.00/Stand/Month.

All boats will be strapped down during the hurricane season.

### Deposit

A deposit of US\$400.00 is required to confirm all reservations. An additional US\$200.00 is required to reserve a cradle and is payable immediately. We cannot guarantee a space or cradle without a deposit. All deposits are non-refundable.

Credit card information will not be accepted over the phone. Authorization must be accompanied with signature and a photocopy of both sides of credit card. This can be sent via a fax or an email. We accept MasterCard & VISA. Liability insurance is required for boats in storage.
